

LAVINE FAMILY MATCH

Double or Triple Your Impact!

uAspire is deeply grateful to Jeannie and Jonathan Lavine for their generous match in support of our 2022 Strategic Plan. We seek to make the college aspirations of 3 million low-income students an affordable reality by advising students, training counselors, and advocating for policy and systems change.

“College affordability is one of the most intractable barriers to truly addressing poverty in our country, and uAspire is on the leading edge of addressing this important challenge.”

-Jeannie Lavine

uAspire’s mission is to ensure that all young people have the financial information and resources necessary to find an affordable path to and through college.

We believe a college degree and the economic opportunities it brings should be affordable to all. Together, we can reach the day when every student has an equitable opportunity to succeed in life.
